Lights! Camera! Action! End of Year Award Ceremony and Concert

Congratulations to all award recipients. I would like to acknowledge all the hard work of our staff and students for this end of year celebration: Prep Graduation and KIK Concert followed by the Award Ceremony and the primary/secondary concert. I hope you enjoyed the performances. Thank you for attending and for assisting with costumes and props for the items and for your continued support at home throughout the year.

This year we celebrated some outstanding results in academic and sporting areas and our teachers and students can be congratulated for their hard work. I would like to make special mention of Judy, Park Jibin, for her outstanding performance in iPSLE. Congratulations to all our students for their achievements and to those who always do their best work.

The **Yearbooks** have already been distributed and this year a competition was held for students to design the front cover. Congratulations to Viet Ha (Y7) and Bi and Sake (Y8) which was judged the winner from the high quality field.

Our teachers have had professional learning in **Explicit Teaching**. Vietnamese teaching staff will undergo training in this pedagogy during the break and next year there will be further training in professional development groups, led by Mr Brad.

My best wishes to all staff, students and families for a refreshing break and safe travel. See you all for the 2018-19 school year.

Message from Head of Studies

Hello all

As I write my final newsletter here at SIS as Head of Studies, I want to thank all of the students, parents and staff for their continuous support throughout the years. We are ending the year very strongly with all students doing well on Semester two exams and exceeding year level expectations. The concert was a hit and a great way to close out the year. Our school strives for continuous improvement every year and the staff is one of the driving forces of that development.

I know that SIS will continue to flourish and will always support students to reach their highest potential. Enjoy your summer holidays and good luck in the next academic year.

Message from Deputy Principal

What a big year it has been!

Congratulations to our academic staff for working tirelessly to ensure that all of our students are actively engaged and are developing as individuals. We are saying farewell to several staff members this year. I want to wish Alelie, Kelsey, Heather, Ruth, Danielle and Emily all the best on their next adventure. I hope all our staff enjoy their well-deserved holiday!

To our students and families, I hope that you all have an amazing and safe summer holiday and I am looking forward to hearing the stories when we all return to school in August.

Message from SVIS Principal

Dear Parents

In June, SVIS students focused on reviewing lessons and soft skills education. Topics of the programme included fire safety, environmental protection, drug abuse and social crime prevention, family violence, child abuse, transport safety and water safety.

Thank you for your suggestions at the parent meeting and your attendance at the End of Year concert. It is a wonderful support that helps us to further improve teaching and learning for the coming academic year of 2018-2019.

On behalf of the staff, I wish you all a relaxing and happy summer holiday!

Regards

Vu Thi Lan

Message from Head of Kindergarten

The Kindergarten has had another successful 2017- 2018 academic year. The children enjoyed all of the school activities, made good friends and have developed so well physically, cognitively and emotionally.

With support from parents, our big event, the Graduation Ceremony and End of Year Concert was very successful. It was a great time for everyone and we received a lot of positive feedback about having a shorter ceremony just for Kindergarten, as there are now so many students. We are so proud of our brilliant students for their commitment and all the effort to make the night outstanding and memorable. We would like to take this chance to say 'Thank you' to all of our students and parents for support with costumes.

We ended the school year with an enjoyable excursion to Vin Com for a fun adventure movie "Peter Pan" for K2s and Preps and a great morning of Water Fun at school for Nursery and K1 children.

It has been a pleasure having your children in our classes this year. We wish you and your children a relaxing summer holiday and look forward to seeing you all back in the new school year.
