School resumes Monday 6th February

Dear Parents,

With end of semester examinations these past few weeks, I want to commend students for demonstrating diligence and flexibility. Teachers have also been working hard marking the tests and completing the report cards so that students and parents can see the academic achievement and progress being made in all areas.

I enjoyed meeting parents at the SVIS parent conferences last Saturday and look forward to talking with parents of students in international classes at the conferences on Saturday, 11th February between 9am and 11am.

Our school celebrated Tet with a staff party after school last Thursday and an assembly on the last day of term. Kindergarten classes gave a wonderful presentation of singing and dancing, all dressed in traditional costume.

I hope you enjoy the Tet and holiday break. School resumes on Monday, 6th February.

Chúc mừng năm mới!

Message from the Deputy Principal

It was a busy time between Christmas Break and Tet with our Year 1 to 9 students completing their SIS exams and our IGCSE 2 students completing mock exams. Congratulations to our students for the effort they put into the assessment tasks and we are very proud of the progress that students are making. Student report cards will be available during the parent-teacher interview process.

Extra-Curricular Activities

Term 3 ECAs will begin on Monday 20 February and will run for 6 weeks, finishing on Friday 31 March. Students will be notified if their chosen classes did not meet the minimum number. I wish everyone a safe and happy Lunar New Year.

Message from the Head of Study

Well done to the IG2 students who underwent a mock examination. They had both a morning and afternoon sessions so it was a tiring week for them. It has proven to be an excellent experience for students and they all listened to the advice given. They will have the opportunity to have review the paper and make a plan for revision for term 3.

Message from the Head of Kindergarten

Thank you very much to the parents who came to our Parent/Teacher Interviews. It is so nice for us to have some informal time to talk together. We appreciate your continuous support to help us provide a successful school life to your child.

Since the break we have had a good time talking with our students about the different landmarks and buildings around Da Nang City. Some local special dishes were also introduced in the lessons such as: Bun mam, Mi Quang, Banh Xeo, Banh Beo and Nem Lui.

The students were very excited about Tet holiday, which is a fun and memorable time of the year for the children. Learning to make Chung Cake and playing some traditional games for children at Pegasus International College were great Tet experiences and activities. To celebrate the holidays, we had a special Assembly on Friday. Thank you very much to our hard working children for their outstanding performances.

We wish you all the best for the New Year.
